

Checking Your Mid-term Grades

Faculty provide mid-term grades as way to provide feedback during the course of the semester to students. In order to view your mid-term grades follow the steps below:

From your Student Center, click on the 'View My Grades' link

The screenshot shows the 'Academics' menu with several options: 'Class/Catalog Search', 'Plan', 'Enroll', 'My Academics', and 'View My Grades'. A red arrow points to 'View My Grades'. Below the menu is a search box containing 'other academic...' and a search button. To the right, there are sections for 'Deadlines' and 'This Week's Schedule' with a table of classes.

A row of buttons: 'Class/Catalog Search', 'Plan', 'Enroll', 'My Academics', and 'View My Grades'. Below them are smaller buttons: 'my class schedule', 'add', 'drop', 'swap', and 'term information'.

You will then be brought to the 'View My Grades' page; ensure that you are looking at the proper term. You can change your term by clicking on the 'Change Term' button if necessary. Then click on the 'Mid-term grade' tab.

The screenshot shows the 'View My Grades' page for 'Spring 2016' at 'University at Buffalo'. A red circle highlights the term 'Spring 2016' and a red arrow points to the 'change term' button. Below, the 'Class Grades - Spring 2016' section has the 'Mid-term Grades' tab selected. A table lists classes with their descriptions, units, and grading information.

Class	Description	Units	Grading	Grade	Grade Points
BIO 201LLB	Cell Biology	4.00	Letter Grading		
CHE 102LLR	General Chemistry	5.00	Letter Grading		
COM 101LEC	Principles of Comm	3.00	Letter Grading		
ESL 408LEC	Written English 2	3.00	Letter Grading		
MTH 122LR	Surv Calculus & Appl 2	4.00	Letter Grading		

Once you click the tab, you'll see your mid-term grades. If you have a grade of MS, A, A-, B+, B, B-, C+, or C this is considered a satisfactory grade. If you have a grade of MU, C-, D, or F this is considered an unsatisfactory grade. If you have a blank, your faculty member has not provided feedback for that class.

The screenshot shows a detailed view of the mid-term grades table with two columns: 'Class' and 'Mid Term 1'.
