

# Using the Student Center: View Class Book Requirements

The Student Center is a self-service page that provides students an entry to the HUB. Along with MyUB, it provides navigation to tools and information that are important to you. To reach the Student Center click the Student Center tab from MyUB. In this tutorial we will review how to View Class Book Requirements.

If you would like to know what books you need for your classes, you can find this out through HUB. On the front page of your Student Center, click the Enroll link.

go to ... >>

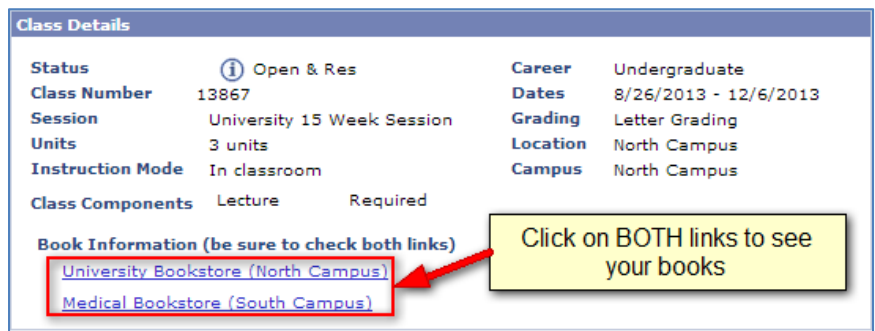

Next click the tab “my class schedule”

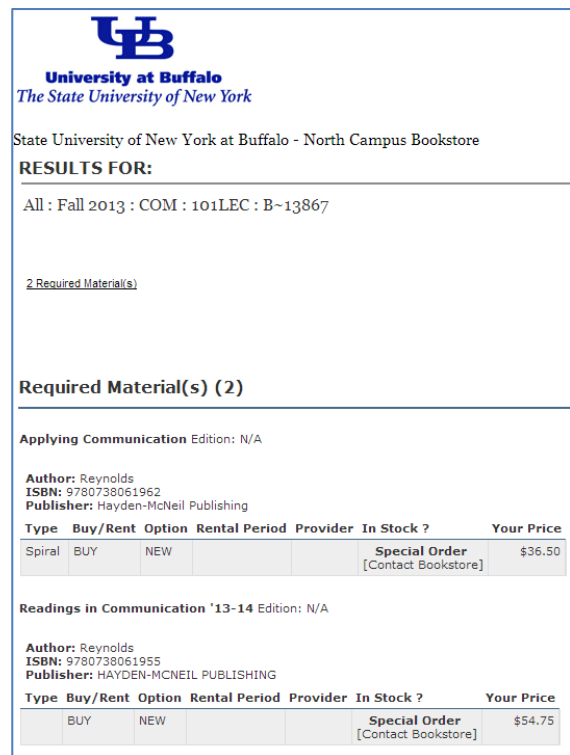

Next, scroll through your classes until you find the class you want to see the required books. Click on the section link.

Notice, there are two bookstores listed. You should click on both of the links for each of the bookstores.

A new window will open showing what books you have for that particular class.

If your professor has not provided their required book list to Follet's North Campus, then no books will be listed

This concludes this tutorial.
