

Using the Student Center: View Holds

The Student Center is a self-service page that provides students an entry to the HUB. Along with MyUB, it provides navigation to tools and information that are important to you. To reach the Student Center click the Student Center tab from MyUB.

NOTE: If you have a Hold on your account, it may prevent you from performing enrollment actions (adding, dropping, or resigning courses). Check the Holds section on the right side of the Student Center page to determine if you have any holds on your account.

If you have a Hold on your account, you would see a details button. Use the details button to access more information about the Hold and to learn how it can be resolved.
